

SOFTWARE RELEASE NOTE # 40

March 01, 2018

To: All LabExpress and RFxpert units

Re: Latest Software Release 4.2.504

EMSCAN is pleased to provide a free software upgrade to all the RFxpert and LabExpress units acquired on or after January 1, 2015, or under extended warranty.

Units under warranty will receive it for free; units no longer under warranty can obtain the software upgrade by purchasing a Customer Care Package (p/n 3000-0122). Please contact your local representative or contact us via our web site: <https://www.emscan.com/contact-us/>
